Upcoming Events

MAY

Friday 16 - Tuesday 27: Turing Scheme Trip to Thessaloniki & Athens, Greece. Selected pupils and students from Year 10 and 12 have secured a place on this year's Turing Scheme trip. Our young people will visit notable places of interest in Greece, learn about a new culture, try out their language skills, and meet and interact with other pupils and students from a local school.

Monday 19 & Tuesday 20: Carding Mill Valley Visit. 08.15 - 15.30. Year 10 pupils studying GCSE Geography will visit Carding Mill Valley to carry out physical geography fieldwork to support their classroom learning.

Tuesday 20: Scholars Programme Graduation. 09.15 - 15.00. At the University of Birmingham. 14 Year 12 students will attend their graduation to celebrate their success in completing the Scholars Programme and to reflect upon their options for university after school.

Wednesday 21: Visit to BIFoR Facility. 08.30 - 16.15. Selected students will be taking part in a research project with the University of Birmingham about climate change at the [BIFoR \(Birmingham Institute of Forest Research\)](#) site, working with academics to complete their projects.

Wednesday 21: Choir Rehearsals. 13.00 - 14.45. At Selly Oak Trust School. Pupils taking part in the upcoming joint concert with Selly Oak Trust School will be rehearsing their performances during the school day.

Friday 23: Half Term begins for pupils and students at the end of the day (15.00). Pupils and students will return on Monday 02 June at 08.45.

JUNE

Monday 02: Year 10 visit to UoB. Year 10 pupils will visit the University of Birmingham to talk about work experience and find out more about university life.

Thursday 05: Visit to University of Oxford. Year 12 students. A selected group of Year 12 students will visit Keble and Hertford Colleges at the University of Oxford to have a tour, meet student ambassadors and find out more about applying for Oxbridge.

Friday 06: Mathematics Progression Programme. 09.00 - 12.00. Selected Year 7 pupils, alongside pupils from other local schools, will be taking part in a workshop with an aim to remove barriers to Maths achievement and to support them to progress to study Maths or Maths-related disciplines at a higher level.
