

Why use GCSEPod?

What is it?

- One website, 3 apps and over 6000 Pods.
- Content produced specifically for mobile devices, tablets and PCs.
- Designed to squeeze exactly the right knowledge needed for exam success into short 3-5 minute chunks.
- Helps with learning, homework and revision.

It will help you get organised

Create personal playlists to listen to in the run-up to an exam, to help with homework or on the go to help consolidate learning.

Use the viewing history feature to return to Pods you found useful or access your favourite playlist to go over topic areas you find difficult.

Download exam specific playlists, with everything you need to know for the exam all neatly organised for you so you can manage revision quickly and easily.

It's convenient and effective

Pods can be downloaded on any device so you can watch them online or offline. Wherever you go, GCSEPod goes with you. It's like you're carrying an entire world of knowledge and revision in your pocket.

An expert reads and explains everything clearly and precisely with all the right facts, quotes, keyword and annotated diagrams on screen.

You won't need to use GCSEPod for long before you feel the impact. Consistent use in just 10 minute chunks is proven to support achievement right up to a grade 9.

It can be as discreet (or loud) as you want

Listen to Pods anywhere with nobody knowing what you are doing. Listen privately on the school bus, when you're walking the dog or shopping in town.
